FROM THE SCHOOL

Welcome Message

Welcome to **Holy Angels Public School (HAPS)**, a place where education is not just about learning facts, but about shaping the mind, character, and future of every child. For over **30 years**, HAPS has earned the trust of families in Aurangabad through its balanced blend of academic excellence, discipline, value-based learning, and student-centred development.

At HAPS, we believe that a school must nurture the whole child — their curiosity, creativity, confidence, compassion, and competence. Our aim is to create future-ready learners who are strong in values, disciplined in actions, and confident in their abilities.

LEADERSHIP

Principal's Message

> *"At HAPS, we consider it our responsibility to guide every child toward becoming a responsible global citizen. Academic excellence is important, but equally essential is character formation — honesty, discipline, empathy, resilience, and respect. We work closely with parents to build a positive, empowering environment where children feel safe, supported, and inspired to achieve their full potential."*

— The Principal *Holy Angels Public School, Aurangabad*
